

**The “Technology” ball is rolling  
at San Francisco de Asis Catholic School!**

**The school has received a very generous  
donation to outfit various classrooms with  
more technology.**

The following has been ordered for these classrooms:

**Kindergarten through 2<sup>nd</sup> grade – 5 iPads per classroom  
3<sup>rd</sup> through 5<sup>th</sup> grade – 5 Chromebooks per classroom**

- This will allow the classrooms to enrich their curriculum with technology resources, create centers to challenge high achieving students, provide additional support for students in needs, and allow for differentiated instruction in the classrooms.
- Eventually the school would like to have one-on-one devices for all students. iPads for Kindergarten through 2<sup>nd</sup> grade, Chromebooks for 3<sup>rd</sup> through 5<sup>th</sup> grade, and laptops for middle school students.
- At this time the school has a Technology “Wish” List with various items ranging from \$100-\$5000.

**If you would like to help San Francisco de Asis  
Catholic School by donating technology for the  
classrooms, please call Lara Hernandez,  
Dean of Students, at 928-779-1337, Ext. 122.**
