What is not allowed on regular days also applies to special dress days. Responsibility for following the dress code lies with the students and parents.

Proper Grooming: Students are not to draw on themselves, others, on their shoes or clothing.

Uniform Violations

Homeroom teachers have the responsibility to check and ensure that their students are in uniform compliance at the start of the school day and followed continually throughout the school day. Students may be given a uniform warning by the homeroom teacher at this time. If a student is out of uniform for any other classes after the first check by the homeroom teacher, the student will receive a Uniform Disciplinary Referral Form and will be required to pay a \$3.00 fine. This applies to all students in **Grades 4-8**. K-3 students will receive a note home. Please remember that for uniform violations that cannot be easily “fixed”, the student will remain in the classroom until the parent arrives with the correct uniform. All fines are placed in a special uniform fund to help families with the cost of uniforms.

Note: For serious and/or repeated violations of the dress code, immediate consequences may be warranted. Further, if a student comes to school improperly dressed, a call will be made to the parent/guardian to bring uniform clothes so the student can get into uniform. Also every effort will be made by the school staff to find used uniforms in our uniform supplies that could help a situation when the uniform had been ripped or damaged.
