BREAKFAST EVERYONE?

The Knights will be serving our delicious pancake breakfast after the 8 and 10 AM Sunday Masses on Mother's Day Weekend, May 14th. This breakfast is FREE TO EVERYONE! It's our way of saying "thank you" for the Parish's support throughout this year. However, to be better focused on the pancakes, we will not be selling our breakfast burritos. The 9th and final Raffle Drawing will also take place after the 8AM Mass. Look for our next pancake breakfast in the Fall.

Did you know that you can double your impact while doing your spring cleaning? The SVdP Thrift Store is low on furniture items to sell. When you donate gently used items, you provide low-cost furniture to those who can't afford new things. And the proceeds from the sale are used to help neighbors in need. Double the impact! The Thrift Store currently needs furniture, household items, and clothing. So, please remember SVdP when you decide you don't need that chair, dresser, or table anymore. Today is our monthly collection after the Mass. Thank you very much for your generosity!

The Ten Foundations of Catholic Social Teaching

All excerpts are taken from the *Catechism of the Catholic Church* (CCC).

Each week we will summarize a few of the foundations. For more information please go to the United States Conference of Catholic Bishop website: https://www.usccb.org/offices/justice-peace-human-development/catholic-social-teaching

3. Community and Associations (CCC 1882)

Certain societies, such as the family and the state, correspond more directly to the nature of man; they are necessary to him. To promote the participation of the greatest number in the life of a society, the creation of voluntary associations and institutions must be encouraged "on both national and international levels, which relate to economic and social goals, to cultural and recreational activities, to sport, to various professions, and to political affairs." This "socialization" also expresses the natural tendency for human beings to associate with one another for the sake of attaining objectives that exceed individual capacities. It develops the qualities of the person, especially the sense of initiative and responsibility, and helps guarantee his rights.

4. Social Participation (CCC 1913)

"Participation" is the voluntary and generous engagement of a person in social interchange. It is necessary that all participate, each according to his position and role, in promoting the common good. This obligation is inherent in the dignity of the human person.
